WEEKLY REPUBLICAN-1917  
DAILY PUBLIC LEDGER-1917

MAYSVILLE, KENTUCKY, MONDAY, JANUARY 15, 1917.

## TEN INCHES

Of Snow Fell on Saturday in This  
City—One of the Largest Snows in  
Many Years—Two Degrees  
Below Zero This Morning.

One of the largest snows seen in  
this section of the State for several  
years fell on Saturday, starting at  
about 4 o'clock in the morning and  
continuing till about midnight.  
Throughout the day a wet snow fell,  
making the streets very slushy and  
disagreeable for walking but when  
the shades of night approached the  
snow became very dry. Ten inches of  
snow was measured on a level.

Following the fall of the beautiful  
a heavy cold spell set in. The govern-  
ment thermometer at the home of Mrs.  
Mary Marsh on Forest avenue this  
morning registered 2 degrees below  
zero, which, although not the coldest  
morning of the year, is enough to  
make every one hunt their warmest  
wraps.

The street car company immediately  
began to clear the snow from the  
tracks as soon as it became deep  
enough to begin to impede traffic on  
Saturday. The tracks were cleaned  
several other times during the day.  
This made traffic very easy for autos  
and wagons.

The streets were very slippery this  
morning and a number sustained falls,  
although we could hear of no one that  
suffered any broken or sprained limbs.  
With the river dropping rapidly and  
entirely within its banks there is very  
little danger of a flood, unless very  
heavy rains visit this section or in the  
upper part of the valley.

P. S. It's snowing some more this  
morning. Maybe by tonight there  
will be another ten inches.

## MUST GET FEDERAL STAMP

Lexington, Ky., January 15—Collec-  
tor Ben Marshall calls attention to the  
new revenue law, enacted September  
8, 1916, under whose provision every  
building or place where games or bil-  
liards or pool are played, or bowling  
alleys where bowls are thrown, except  
in private homes, is regarded as a  
bowling alley or billiard room. This,  
of course, makes it necessary for all  
lodges and clubs to procure a special  
tax stamp. This must be done in the  
month of January, and the different  
lodges and clubs which have billiard  
rooms or tables or bowling alleys, are  
hereby notified to procure the neces-  
sary Federal stamp if they desire to  
avoid the penalty.

Miss Alma Williams of Ewing spent  
the week end with Misses Carrie and  
Lillian Muse of East Third street.

## SCOUT BILLY DOYLE

Is Planning a Revival of the Old Blue-  
grass League or a New Ohio and  
Kentucky League.

Billy Doyle, the popular scout for  
the Milwaukee Association Club, who  
has been in this city for several days,  
is again agitating the organization of  
the old Blue Grass League, or a new  
Ohio and Kentucky league, which  
would include Portsmouth, Ohio;  
Maysville, Frankfort, Winchester, (or  
Richmond), Lexington, and, if the  
Hon. Garry Herrmann could be con-  
ciliated, Covington would come in, it  
being understood that no games would  
be played in Covington when there are  
games at Redland Field. Maysville  
and Portsmouth baseball enthusiasts  
are warmly in favor of the proposed  
league and stand ready to get behind  
same with ample money. The league  
would be reorganized along entirely  
new lines, which would entail a sav-  
ing of several thousand dollars year-  
ly.

Another ambitious, but thoroughly  
plausible scheme of Mr. Doyle is his  
proposal to organize and incorporate a  
company here, backed by the Mays-  
ville Club, or all the clubs of the  
league, for the purpose of schooling,  
training and graduating in the manly  
sport of baseball, young players for  
the big league teams. This new in-  
stitution would be the only one of  
its kind in the world; would have  
\$10,000 capital and to be known as the  
Limestone Baseball Training School.  
This section of Ohio and Kentucky  
seems peculiarly adapted to growing  
and producing professional ball play-  
ers, as many of the noted giants in the  
noble sport were born or developed  
within 50 miles' radius of Maysville,  
in the Ohio State League and the old  
Blue Grass League, including such  
high-dollars as Carl Wellman, Fred  
Toney, Shelton, Viox, Stenzel, "Scatch"  
Sallee, Harry Vaughn, Meyer of the  
White Sox, Haley, with Philadelphia,  
and a score of others of high rank,  
who have written their names in large  
letters on the diamond scrolls of fame,  
not to mention Dillhoeffer of the Chi-  
cago Cubs, Lem Jones of the Boston  
Americans and others who have arisen  
from Doyle's school.

It is hoped that Scout Doyle may  
push his new baseball school move-  
ment, as the plan is feasible and it  
would fill a long-felt want in this  
great game.

## MAYSVILLE LOSES

Paris defeated Maysville in the bas-  
ketball in the former city on last Fri-  
day night, the score being 39 to 18.  
The game was well played however.  
Everett and Browning doing the star  
work for the local boys.

The Paris boys got an early lead  
which they maintained until the end  
of the game. The score at the end of  
the first half was 28 to 5. During the  
second half however the Maysville  
boys came back strong and played  
some excellent ball. Preceding the  
boys' game a game was played be-  
tween two of the girls' teams from the  
Paris High School.

The following was the line-up for  
the game:

Paris—Hayden and Burnett, for-  
wards; A. Lavin, center; Rice and  
Connell, guards.  
Maysville—Everett and Browning,  
forwards; Wood, center; Downing and  
Bowman, guards.

Messrs. Markham Hicks, John  
Walker and Ellsworth Cablish accom-  
panied the team to the Bourbon county  
seat. Mr. Lewis B. Duke was the  
leader of the party.

## PARIS WANTS BASEBALL

(Cincinnati Enquirer)

Paris, Ky., will most probably be  
back on the baseball map this coming  
season with a semi-pro club in the  
proposed Sunday league being organ-  
ized in Kentucky. Charles Applegate  
has been asked to attend a meeting of  
the fans and organize the club. The  
plan is to use as many Paris local  
boys as possible and fill in with ex-  
minior league stars. If Applegate joins  
Paris it is most likely that Charles  
Davis and Bill Bentel will operate the  
Brewers.

## WILL PLAY PORTSMOUTH

(Portsmouth Times)

Three more games have been add-  
ed to the Portsmouth high school bas-  
ketball schedule. After several con-  
tracts sent to the Maysville, Ky., high  
school management P. H. S. has suc-  
ceeded in booking that team to play  
here on February 9 and the P. H. S.  
five will play there on Friday, Febru-  
ary 2. P. H. S. is trying to book  
games with Norwood and Columbus  
high fives.

## THE PHANTOM BUCCANER

Presenting Richard C. Travers with  
Gertrude Glover, a thrilling drama of  
conspiracy and love, is the special  
feature of the Pastime today.

## WILL HOLD CARNIVAL WEEK

The managers of the Princess Rink  
have decided to hold a carnival week  
beginning January 29 and continuing  
to February 3. During the week there  
will be various contests of all kinds  
and on Friday night a masquerade will  
be held with suitable prizes for the  
best masked and the most grotesquely  
masked. On Saturday afternoon a  
masquerade will be held for the  
younger folks. Further announce-  
ments of the week will be made later.

## SUPERVISOR'S REPORT

The report of Supervisor of Sales  
W. Mitchell for the past week shows  
that there has been a total of 2,773,005  
pounds of tobacco sold on the floors  
of the various houses. This amount of  
tobacco averaged \$16.89 per hun-  
dred. The market closed very strong  
in comparison, there was reported to  
the Ledger office a total of 2,933,460  
pounds. We wonder where the other  
200,000 pounds went to.

## TO CONTEST ATTEMPT

To Abandon the Ohio River and Co-  
lumbus Railroad Running From  
Ripley to Georgetown, Ohio.

(Cincinnati Enquirer)

The Ohio River & Columbus Rail-  
road will not quit receiving freight  
for delivery to other roads, as was  
announced through publication would  
be done January 20th. This became  
known when notice was given out by  
the State Utilities Commission, last  
week, that the only way that such  
action could be legally taken would  
be to give notice to the Interstate  
Commerce Commission of such inten-  
tions, and that even with this 60  
days would be required to lapse before  
the road could cease operations.

When this notice came it was ac-  
cepted as being the first legal step  
in the abandonment of the road. It  
is known that business interests both  
at Ripley and at Georgetown are  
watching the situation and that  
every step in the proceedings is to  
be contested. At a last resort the  
question is to be raised that that  
portion of the road between George-  
town and Sardinia, and that it can be  
shown that this portion of the road  
does not justify the claim of the new  
owners, Fischel and Marks, of the  
road, that it cannot be operated at a  
profit.

## ACCEPTS POSITION AS CLERK

Miss Mattie Duley has accepted a  
position as ticket agent at the Market  
street station of the C. & O. railroad in  
this city. This place was filled by Miss  
Theo Curran for a short time, she  
selling tickets for one train and then  
resigning.

## FOUND DEAD IN BED

and Mrs. Feelin Green, colored, was
